

APICS DC Metro Chapter

THANK YOU to our Host Sites!

We gratefully acknowledge the ongoing support our clients have provided by allowing us to use their facilities. We are honored to be considered Solutions Providers for these valued partners.

Would your organization like to join this prestigious group?

Besides the convenience of onsite employee training, your enterprise would be supporting a local nonprofit association. Our needs are modest. Classes average 6-10 students. We bring the laptop. We need a room large enough for all students plus their gear, a PC projector and a flip chart. Access to restrooms and a coffee machine is a definite plus!

In exchange for allowing DC Metro chapter members to attend your training group, we offer two free tuition slots. These range in value from \$1000-\$2800 per module. Please call 703 430-4075 for details.
